

the coolest tanks around.

CHILLER TANKS

APR Plastic Fabricating has been an industry-leader in custom plastic fabrication since 1985.

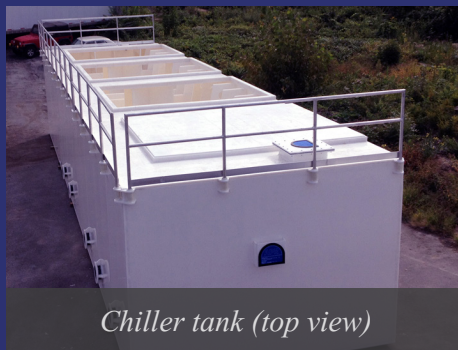

Chiller Tanks

APR chiller tanks are custom-designed and manufactured using our long-lasting and corrosion-resistant Copolymer Polypropylene material.

- High-quality materials provide durable tank solutions
- Designed to meet even the most complex refrigeration challenges
- Fabricated to meet your specific needs - any size, shape, capacity & accessories
- Convenient on-site installation is available when required
- Industry standard warranty or extended 5-10 year plans available
