## EXHAUST & DUCTWORK

*APR Plastic Fabricating manufactures exhaust and ductwork systems for all industries.*

### Exhaust & Ductwork

Using our high-impact CPP material or PVC, APR can design and build exhaust and ductwork systems to your specifications.

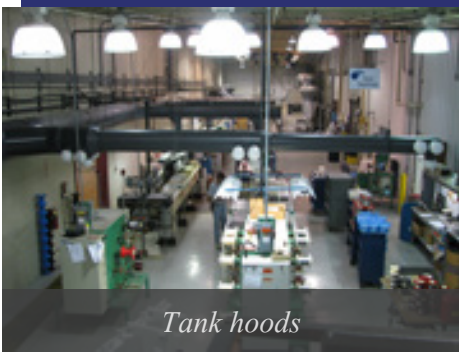

- Any size and any application you require
- Designed to withstand corrosive environments
- Removes harmful fumes
- Long-lasting material to hold up over time
- Full exhaust systems including on-site installation
- Repairs to existing old, broken or rotted systems
- Tank-mounted draft boxes available
- Overhead exhaust hoods optional
- Fume scrubbers or anything else you need
- Industry standard warranty or extended 5-10 year plans

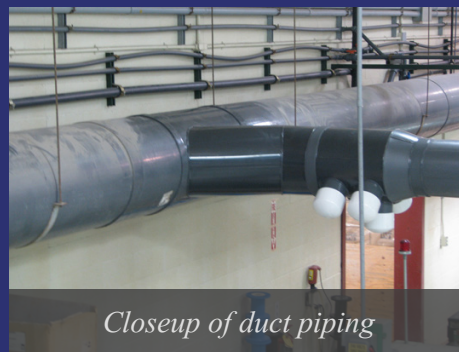

*Air scrubbers*

*Duct transition*

*Tank hoods*

*Closeup of duct piping*

APR's exhaust and ductwork is fabricated to fit your specific needs, whether you require a completely new system or just a quick fix to your existing system. Call us today and let APR show you what we can do!
